House of Representatives
Commonwealth of Pennsylvania
Harrisburg

May 3, 2021

The Honorable Tom Wolf
Governor of Pennsylvania
Room 225 Main Capitol Building
Harrisburg, PA 17120

Governor Wolf,

It has been several months since it first came to light that the former Secretary of State failed to advertise a constitutional amendment expanding rights for child sexual abuse survivors, yet we appear to be no closer to having answers.

On Feb. 1, you publicly called on the Pennsylvania Office of State Inspector General to conduct a thorough review of what went wrong at the Department of State. More than three months later, it is time for you to release the results of that investigation, which have not yet been shared with the legislature or the public.

While I commend you for taking immediate action to remove former Secretary Kathy Boockvar after this unacceptable error, that action alone is not enough. The legislature is now tasked with attempting to undo this unthinkable wrong to victims, and we need answers and transparency to do that.

Pennsylvanians deserve answers. I look forward to hearing back from you so we can begin to move forward as a Commonwealth.

Sincerely,

A handwritten signature in blue ink, reading "Kerry A. Benninghoff".
